HEPA Filtration

Sanitaire Sealed HEPA vacuums capture 99.97% of all particles down to 0.3 microns for cleaner indoor air. Even the carbon dust emitted by the motor is captured. Sanitaire sealed HEPA models give you the satisfaction that you are not only cleaning the carpet more efficiently, but also emitting only clean air back into the room. Sanitaire HEPA filters are washable for reduced maintenance costs.

CRI Seal of Approval

Sanitaire CRI Green Label approved vacuums can satisfy any job requiring a higher level of filtration. The CRI approved signifies a superior cleaning vacuum that has passed stringent testing for soil removal, dust containment and carpet appearance retention.

Meets L.E.E.D Requirements

For a vacuum cleaner to qualify for this designation, it must be CRI Approved and operate below 70 dB sound level. Sanitaire Quiet Clean models meet L.E.E.D requirements.

True Balance Brushroll

Made from select hard maple, this double ball bearing brushroll is guaranteed to be in balance and provide superior cleaning with smooth, quiet operation.

Vibra-Groomer Brushroll

A touch, chrome steel, double ball bearing brushroll built to withstand commercial use. These brushrolls have replaceable bristle strips – no need to replace the entire part so you save on maintenance costs.

Quick Kleen

A clear polycarbonate cover to view, service or access the impeller fan without removing the motor to reduce maintenance time.

Quick Change Cord

Detachable Power Cord

2-Year Warranty

The Sanitaire Promise of Performance warranty which warrants parts, material, workmanship and labor to the further reduce maintenance cost and downtime. (Except models SC679 and SC689 which have a one year warranty.)
