

# Liquidator Solution Applicator

**Why splash stripper across the floor and up the wall, one bucket at a time?**

The Liquidator is a key component of the Sidewinder WorkSmart™ stripping system. Only the Liquidator can lay down strip solution fast enough to stay ahead of the Sidewinder stripper. Don't work hard, work fast and smart with the Aztec WorkSmart™ stripping system.

- Easy access for cleaning through 8" lid opening
- Rugged solid steel frame
- Nylon ball bearings throughout entire driver system
- Corrosion proof polyethylene tank
- User-friendly, quiet with smooth operating features

## Liquidator Specifications

Shipping Weight	106 lbs*
Shipping Height	35"
Shipping Length	48"
Shipping Width	40"
Warranty	1 year

\* Shipping weight may change slightly due to varying skid weight

The Liquidator is light weight (90 lbs) and extremely portable. With a 52" reach, the Liquidator dispenses up to 50,000 sqft/hour. The flexible, swing-away arm allows easy access to areas as narrow as 26" to accommodate obstacles and narrow aisles.

Stripper solution usage is reduced by an evenly controlled flow from the 36 gallon polyethylene tank. The Liquidator is manually powered with NO batteries, NO motor and few moving parts. The Liquidator is also easily portable and virtually maintenance free.

All of Aztec's machines are proudly MADE IN THE USA. .

**DURABLE • MAINTENANCE FREE • NO BATTERIES OR CORDS**
