Rug Shampoers / Floor Polishers

Koblenz®

Rug Shampooers Floor polishers

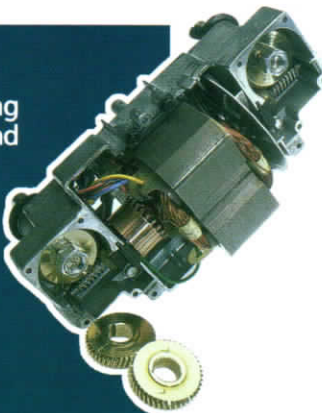

Finally a line of 12" rug shampooers/floor polishers designed and built to last. These machines scrub, polish, buff, wax and shampoo all kinds of floors with professional results and little effort.

- Twin brushes rotate in opposite directions providing stability for easy handling and superior cleaning.

- All metal construction 4.2 amp (450 watt) motor. The most powerful available.

- Full width bronze gears for extra long life.

Optional accessories available:

Brushes

- **Carpet Shampoo Brushes**
- Flow-thru dry foam brush design, cleans carpets without soaking.
- Polyethylene bristles are gentle on carpet fibers.
- Available packed in pairs (Part #45-0136-7).

Scrub Brushes

- Flow-thru brush design, thoroughly cleans all types of floors.
- Tampico and cocoa bristles provide long durability.
- Work as support for pads.
- Do not use on wood floors (use polishing pads).
- Available packed in pairs (Part #45-0134-2).

Polishing Brushes

- Flow-thru brush design, polishes all types of floors.
- Tampico bristles.
- Work as support for pads.
- Available packed in pairs (Part #45-0135-9).

Pads

Scrubbing Pads

- Weaved nylon fibers.
- Scrub heavily soiled floors.
- Remove wax build-up.
- Not recommended for wood floors.
- Available packed in pairs (Part #45-0104-5).

Cleaning/Polishing Pads

- Weaved nylon fibers.
- May be used to gently clean floor surfaces.
- Redistribute wax and provide initial shine.
- Should be complemented with felt or lambswool pads.
- Available packed in pairs (Part #45-0105-2).

Felt Buffing Pads

- Highest quality natural felt.
- Bring out the shine in any kind of floor.
- Available packed in pairs (Part #45-0103-7).

Lambswool Buffing Pads

- Lambswool on a foam backing.
- Bring out a fine luster without leaving swirl marks.
- Available packed in pairs (Part #45-0102-9).
