MEET THE NEXT GENERATION OF
PROTEAM BACKPACK VACUUMS

THE MOVEMENT IS HERE
TAKING CLEAN IN NEW DIRECTIONS

WHAT IF YOUR VACUUM

MOVED WITH YOU INSTEAD OF AGAINST YOU? FELT MORE LIKE A NATURAL EXTENSION OF YOUR BODY THAN A BULKY ATTACHMENT? IMPROVED YOUR PHYSICAL RANGE TO MANAGE THOSE HARD TO REACH PLACES WITH LESS EFFORT? DIDN'T LEAVE YOU AS EXHAUSTED AT THE END OF THE WORKDAY?

More than 25-years ago, ProTeam® gave the industry backpack vacuums and the freedom to clean without boundaries. Gone were the common restrictions of space and maneuverability. Then, after years devoted to improving power and filtration, ProTeam engineers once again turned their attention to ergonomics.

ProTeam knows that when cleaning pros feel better physically, they're more productive, and when their movement is less restricted they can clean better with less effort. The result is a new generation of backpack vacuums that are unequalled in maneuverability and comfort.
